Sub: Identification of Plastic Processing Units for recycling of plastic waste

Madam/Sir,

I am directed to intimate that the dry waste collected from door steps are further segregated in the Material Recovery Facilities (MRFs). The plastic waste which is a major component, needs to be sold to plastic industries / traders for use in recycling industry. List of various such Units available in our State as received from the MSME Department is enclosed herewith as Annexure-A which may receive the plastic waste as raw materials.

Therefore, an agency[ies] need to be identified through bidding process along with the rate valid for one year may be finalised for disposal. Any agency other than those listed in Annexure-A may also participate in response to the bid. The amount so collected shall be apportioned by the Sanitation Workers in proportion to the quantity collected from the Ward(s) assigned to them.

The name of the Agency(ies) along with rate so finalised should be communicated to this Department by 12.03.2020. The rate may be valid for one year and can be extended for a year thereafter.

Modalities for the entire process of disposal may be finalised at your level in consultation with the ULBs concerned.

Yours faithfully,

Director, Municipal Administration &
Mission Director, Swachh Bharat Mission(Urban)

Enclosure: As above
